# Big bang theory cast pay season 1

The first episode was filled with dramatic moments, including hints about Jack's past and Kate and Toby's future. Most of the original cast have returned, along with some new faces who will play major roles in season 3. The writers already know how the series will end and there are plenty of spoilers about what will happen in the upcoming episodes. Season 2 of This Is Us finally answered a lot of burning questions for anxious fans. We learned exactly how Jack died, saw Toby and Kate walking down the aisle and realized the truth behind these scenes with Jack as an old man. But after the Season 2 finale, we're back in a dark place and wondering even more: Has anything happened to Beth? Why are Kevin and Zoe going to Vietnam? Why is Toby stuck in bed? If you're like us, you're already worried about running out of tissues before the season is. Here's everything you need to know before you watch the next episode of This Is Us. 'This Is Us' Season 3 CastEven after his death, Jack (Milo Ventimiglia) will still play a strong role in the upcoming season. Just because we know how Pearson patriarch died doesn't mean we know everything about him, and Season 3 will examine that further. Ventimiglia opened up about her character's changing role in an interview with Entertainment Weekly. If Jack died in 1998, when the children were 17, there is still much to know- different sides of him, what made him what shaped him, what inspired his romance with his wife, what happened to him and his brother in war, he explained. Even in death, there's a lot of life left in Jack. Get ready for much more facial hair and crooked smiles! NBC Other season regulars who will return include Mandy Moore as Rebecca, along with her three children. Chrissy Metz returns as Kate, Sterling K. Brown as Randall, and Justin Hartley as Kevin Pearson. We will also continue to see the young actors who portray their character's childhood selves. In addition, Susan Kelechi Watson will return as Randall's wife Beth, Chris Sullivan will return as Toby, and Jon Huertas continues to play Rebecca's new husband, Miguel. NBC Aside from the usual cast, there are a few new faces you should look out for. In the Season 3 premiere, we learned more about Kevin's relationship with Zoe (Melanie Liburd), Beth's cousin. As Beth put it, the two of them are knockin' boots-but it looks like the pair can evolve to become something even deeper than that. In a flash-forward we saw at the end of the Season 2 finale, Zoe was snuggled up next to Kevin on a flight to Vietnam, so it looks like we'll see a lot more of her. Along with this trip to Vietnam and the continued exploration of Jack's past inevitably comes the exploration of new characters. We're finally going to meet Nicky, Jack's little brother. During the Season 3 premiere, we saw Jack reveal to Rebecca that his brother was killed in the war. Deadline reports his character will be played by Michael Angarano and repeat throughout the season. We only ever seen a child version of Nicky through flashbacks and it will be the first time he is introduced as an adult. NBC 'This Is Us' Season 3 SpoilersThough the double timelines of the show make it seem complicated, the writers apparently have it all figured out. Sterling K. Brown recently opened up about the future of the series in an interview with Yahoo Entertainment. We know how our show will end, he said, much like Fogelman. Not quite sure when it will be, but I don't think it will be over seven years. Since each season of the show seems to span about a year, it would mean we have five more seasons with the Pearson clan. NBC Some spoilers have already been released, such as Kevin's exploration into Jack's past and time spent in Vietnam. According to Hartley, his character will take a closer look at his relationship with his father in Season 3. Kevin now has questions about his father, but his father is not there. He can't answer what Hartley told GoodHousekeeping.com. So to see him go back to Vietnam is kind of cool because I'm, like, 'Oh, he's going to go maybe on a little discovery about his dad and try to get some clues so he can answer some of those questions that he has.' Hartley and other members of the cast are actually traveling to Vietnam to film, so it's almost guaranteed that this will be a major plot point. It is also likely that we will learn more about another father figure. The Season 3 premiere revealed that Deja will join the Pearson family in a more permanent way: Randall and Beth will officially adopt her. As we learn more about her story, it's likely that we'll also learn more about her parents. We saw Deja's father for the first time in the same premiere episode, but it looks like there's more in the story. Obviously, Deja has had almost no relationship with [her father], but she may know more about him than we previously let on, showrunner Elizabeth Berger told EW. So we'll get to know a little more about what this relationship is moving forward. NBC Season 2 also left fans concerned about the fate of Beth after a cryptic conversation shown between Randall and Tess during a flash-forward. Of course, the internet immediately started to digorize, that they were talking about their mother and wife and that something bad had happened to her. Fortunately, that doesn't seem to be the case. Fogelman actually revealed to E!

The news that season 3 will focus a lot on a Beth and she's even going to get her own episode. Fans were also left wondering if Toby's physical and mental state after the Season 2 finale gave a devastating glimpse into Kate and Toby's future, with a scene of him lying in bed, apparently trapped in a deep depression. Kate and Toby will be thrown into some stressful situations as we move forward, and it will certainly have an impact on Toby's state of mind, Berger told EW. NBC Actress Chrissy Metz recently hinted at what these stressful situations might entail, and signs point to the couple's struggles with having a child. Maybe there's something going on physically with Toby too, Metz said of Toby and Kate's efforts to conceive. These things may not have been talked about or dealt with because we keep our secrets and we are ashamed of them. In addition to the current conflicts, it sounds like the show will also delve into Pearson family secrets that we may not have known about, and they all seem to lead back to Jack's past. With Milo's character Jack, it's always been clear that there's something under this guy that we haven't learned about what happened to him, what happened in his backstory, Fogelman told Deadline. So a big part of our season, especially for Jack, is learning that history. This Is Us' Season 3 PremiereNBC announced the official premiere date for the third season on its This Is Us Facebook page.
